**WINS**   
WOMEN IN NEED SOCIETY

## *Handbags with Heart*

**Do you have a gently used handbag you no longer use? Give it a second life and share your heart with a woman in need.**

**Donate a handbag and fill it with new toiletries and hygiene products. Drop off at any WINS family thrift store. WINS will get it to the women who need it.**

**The items you've donated will help to support women and their families in need.**

**WINS works with women in low-income situations. This includes:**

- **women coming out of shelters**
- **single mothers and their children**
- **women in transition**
- **new Canadians**

**WINS goal is that women have the resources, knowledge, skills and confidence to achieve self-sufficiency.**

**WINS needs cash donations to help support the Handbags with Heart program.**

**"You turned the darkest part of my life into day"**
